

All fifth grade families from the Fletcher Maynard, King Open, and Cambridgeport Schools are invited to come for an evening of food, meeting new people, and learning about the Cambridge Street Upper School. CSUS staff and scholars will be here to share information and answer questions about our school and its many opportunities. Rising 6th graders and their families will be able to meet teachers, hear from a panel of current CSUS scholars, and enjoy dinner and a performance by our Jazz Band with new and existing members of the Cambridge Street community. We look forward to meeting you.
